

## Peach Springs Health Center (PSHC) Update

April 15, 2020

The clinic **remains open** during business hours: Monday through Friday, **8:00 am to 5:00 pm** providing limited services. **No visitors allowed, currently still seeing acute care patients on a walk-in basis, we ask you please call first (928-769-2900) and talk to a doctor to see if you need to come in. If your child needs immunizations or a well-child visit, please call first** to arrange this visit.

**Please call first (928-769-2992) if you have a prescription to renew or refill.**

We continue to work towards **slowing** the potential spread of the CoVid-19 virus, there are **50 confirmed COVID-19** cases in the **Mohave County** and **seven confirmed positive cases** in the Peach Springs community at this time. (If you have been identified as someone who has come in contact with a person tested for COVID-19, you will be receiving a phone call from our public health nurse or clinic staff to check on your wellbeing.)

Effective April 15, there will be designated parking areas for patients that require medical screenings and prescription pick-up, please note the two designated areas. There will be one-way directional flow of traffic coming into the clinic parking, please be cautious and look out for other traffic or patients. All clinic staff vehicles will be parked in a designated area (south end of clinic) to allow parking spaces for patients in the two designated patient areas. All GSA vehicles have been relocated to allow additional parking. (Currently, clinic staff enter through a designated entrance to reduce any crowding of patients/staff at the designated patient screening area).

Due to recent events, the dental clinic will be closed tomorrow, April 16, 2020, and resume clinic Tuesday, April 21<sup>st</sup> and continue every Tuesday/Thursday.

If you think you have been exposed to the Coronavirus, develop a fever or symptoms, such as cough or difficulty breathing, **please call first** to the Peach Springs Health Clinic at **928-769-2900** for medical advice.

We will continue to keep you updated and informed on any Peach Springs Health Center clinic operations. We want to reassure the Hualapai Tribe that the Indian Health Service is here to serve the community to the best of our abilities and available resources. As we continue to receive updates from the government, we tailor our plans accordingly with the new guidance. Thank you all for your cooperation as we respond to the current national emergency.

Respectfully,

Perfecto B. Cronemeyer  
USN(Ret), BSHA, MBA  
Acting Health System Administrator  
Peach Springs Health Center  
(928)769-2906 HSA Administrative Assistant
